On Wednesday nights, we will be in a 4-week series that shows students how Jesus treated those that society rejected, and how we can do the same.

## November Devotion: Rejoice and Be Thankful

Start out by reading 1 Thessalonians 5:16-18. If you don't have it right there with you, it says, *"Rejoice always, pray without ceasing, in everything give thanks; for this is the will of God in Christ Jesus for you."* The world that we live in tries to tell us that we will never be happy/satisfied unless we have the newest things, i.e. phones, car, clothes, electronics, etc. With new

things coming out almost every month, it's hard to keep up with what the world says will make us happy. While the world is constantly changing, the Lord doesn't change. God calls us to always rejoice and to be thankful for what He has blessed us with. Spend one day this month in constant prayer, sharing your thankfulness with Him in all things! -Neal
